Hi, Edem. My name is Frederick, from Accra. I am a song writer. I have two special songs to propose to you. I know that you are exclusively in the hiplife. For my part, I write Soul music, Cool songs, and a little of RnB. But I believe you will love them.

Good Day,  
How is everything with you, I picked interest on you after going through your short profile and deemed its necessary to write you immediately. I have something very vital to disclose to you, but I found its very difficult to express myself here since here is a public site. Could you please get back to me with (princess24b @ hot mail.com) I believed that making friends is among the richness of life.
